

Don't miss the whales!

LATE JULY TO EARLY NOVEMBER

UP CLOSE AND PERSONAL

From late July to November the calm waters of Hervey Bay and Fraser Island become a sanctuary for the magnificent and beautiful humpback whales. Every year the whales return to Hervey Bay; one of the worlds most exclusive whale watching destinations. No where else will you experience such a close encounter with these spectacular mammals.

- On board payment facilities
- Courtesy bus available
- Fully licensed

CHAMPAGNE SUNSET SAIL

Looking for a great way to wind down after a long day? Or perhaps to kick start your evening in style?

We'll sit back and relax while Peter, your skipper, takes you on a peaceful journey sailing the waters around Hervey Bay and Fraser Island on board the luxurious Blue Dolphin.

All your champagne, beer or wine is fully inclusive and there are also soft drinks and orange juice available as well.

Enjoy a delicious finger food platter as the beautiful sun sets over the world renowned Great Sandy Straits.

The sail lasts for 90 minutes and departs the marina at 5.15pm in summer and 4.30pm in winter.

DOLPHIN CRUISE + OPTION TO EXPLORE FRASER ISLAND

The morning dolphin cruise is on the waters of the Great Sandy Straits by Hervey Bay and Fraser Island. Here we look for the bottlenose dolphins (aduncas) and the indo-pacific humpback dolphins (sousa chineses), which is a lesser known species. Both of these species reside in small residential pods of up to 20 and are found around Hervey Bay and Fraser Island. The waters are also home to dugongs, turtles, seabirds and other marine life.

Our dolphin watching tours started back in December 1996 and we have maintained a 95% or better success rate for seeing the dolphins thanks to our 27+ years of marine mammal experience.

The cruise lasts for around 4 hours and morning tea is provided. You may also have the opportunity to enjoy boom-netting or explore the remote west coast of Fraser Island.

Departs the marina at 8.30am and returns approx 12.30pm.

PRIVATE CHARTERS

Need a venue for your birthday, Christmas party, conference, engagement, hens night, wedding or anything else? Blue Dolphin is available for your exclusive use.

The vessel is surveyed for up to 30 passengers, with the ideal group size being 10 or more.

We are fully licensed and can provide meals upon request.

We can help you design the perfect cruise no matter what your needs may be. Contact us for further details.
