

Don't miss the whales!

mid July to late October

From mid July to late October the calm waters of Hervey Bay and Fraser Island become a sanctuary for the magnificent and beautiful Humpback whales.

Every year the whales return to Hervey Bay; one of the worlds most exclusive whale watching destinations. Nowhere else will you experience such a close encounter with these spectacular mammals.

Champagne Sunset Sail

relax + unwind

The Champagne Sunset Sail on the Blue Dolphin Marine Tours' luxury yacht offers a relaxing 90-minute sail of the Great Sandy Strait. Soak up the panoramic views of Hervey Bay and World Heritage listed Fraser Island, watch a spectacular sunset cast shadows of amber and gold as the warm night invites the stars out to play.

Enjoy the all-inclusive drinks and delicious finger food platter, and simply sit back, relax and enjoy.

Departs the marina at 5:15pm in summer and 4:30pm in winter.

Fraser Island (K'Gari) Eco Sailing Adventure

With over 35 years experience, Blue Dolphin Marine Tours offers an unbeatable marine adventure tour in Queensland aboard a comfortable, multi award winning sailing vessel.

Cruise the calm waters of the Great Sandy Strait taking in the West Coast of World Heritage listed Fraser Island and the pristine Pelican Bank. Your morning tour focuses on discovering the abundant marine life, such as the resident Bottlenose dolphins, Australian Humpback dolphins, dugongs and turtles. There is also ample time to swim, try out the boom net or test your balance on the exclusive Aqua Mat.

Departs the marina at 8:30am and returns approximately 12:30pm. Morning tea included.

Private Charters

Need a venue for your birthday, Christmas party, conference, engagement, hens night, wedding or anything else? Blue Dolphin is available for your exclusive use.

The vessel is surveyed for up to 30 passengers, with the ideal group size being 10 or more. We are fully licensed and can provide meals upon request. We can help you design the perfect cruise no matter what your needs may be.

Contact us with your requirements for further details and pricing.
